FOR SUCCESSFUL SEASONS

Les strikes fear in his opponents with one of his famous slams.

VARSITY CHEERLEADERS

Captain — Mary Snook

The main factor involved in cheerleading is getting the students highly enthused so they will want to come out and support the team. Well, our cheerleaders have done just that. Under the leadership of Mary Snook, the squad has brought energizing spirit to the school. The squad consists of co-captains — Janet Helwig and Tina Tyler; Sophomores — Rachel McCambell, Sissy Gravely, Betsy Panky, and Kathy Kurtz; Freshman — Nan Elliot, Shelly Kingsberry, and Ann Folger

INTRAMURAL FEVER

"Hubby" Miller towers over the Zoo Crew for a wishful two points.

FAREWELL TO A FRIEND

Coach Ken Stinnett

1923-1980

Maryville College lost one of its greatest men during this past academic year. On February 16, 1980, Coach Ken Stinnett died. Not only was Coach Stinnett friends with the athletes on campus, he was loved by every student that he came in contact with. He truly loved Maryville College and the people associated with it.

It is with feeling of love and kindness that we all remember Coach Stinnett. Maryville College athletics will not be the same; students in the student center will miss his warm smile, and we all feel the loss of this great man.

Maryville College touches all of our lives. It is a brief encounter that has an everlasting effect on all of us. This effect may be great or it may be silently unnoticed. The friendship and experiences established here are rooted deeper than just our skin. Maryville College has planted meaningful memories into all of us. We function as one force, yet each of us has individual goals and interests. Maryville College has the unique quality of uniting all of us regardless of who we are or what we may be.
